Dear Parent/Guardian,

Your child has been approved for homebound instruction. In order to make this instruction as much like the classroom program and as beneficial to the student as possible, we are asking your cooperation in the following:

1. An adult must be present during the instructional period.
2. Please allow your child to rest before and after receiving instruction.
3. Encourage your child to dress in day clothes, if possible.
4. Provide an area where the student and teacher can work uninterrupted.
5. It may be necessary for the parent/guardian to provide certain instructional materials, which may be recommended by the teacher. (e.g. paper, pencil, etc.)
6. Homework will be expected between the teacher's visits. Please make arrangements for your child to have an opportunity to study.
7. Please provide the teacher with a phone number(s) so that he/she may reach you if necessary.

The teacher will make every effort to be on time and will notify you if he/she will be late or unable to attend. Your child's teacher will also readily discuss your child's progress. Please feel free to contact the assigned teacher in the event you have any questions or concerns.

The District reserves the right to withhold homebound instruction when any one of the following occurs:

1. The instructor's presence in the place of a student's confinement presents a hazard to the health of the teacher.
2. A parent/guardian or other adult in authority is not present with the student during the hours of instruction.
3. The condition of the student precludes any benefit from such instruction.

Sincerely,

Mrs. Christy Chicklo
