

# 2020 SAE Open House

**When: Thursday, September 17th**

**Where: South Allegheny Elementary School**

**Time: 5:00-6:30 PM**

**Rain Date: Thursday, October 1st (Same Time)**

## Event: “Drive Through” Open House

- **A first for the elementary building**....families will drive through the campus following the new designated dismissal route. Along the way, they will see their teachers and all school staff dressed and celebrating the new year with various themes...similar to what you might see on floats in a parade, but we will be stationary.
- Students will receive a bag of goodies from the school containing school supplies.
- **You don't want to miss this.** It won't take long, as students and families will remain in their cars. But trust us, you will have the best seat in the house for some cool laughs and memorable experiences.  
Come vote for your favorite themes and teams!
- To help with the flow of traffic, please try to attend during the following designated times for each borough:  
5:00-5:45 Glassport and Lincoln  
5:45-6:30 Port Vue and Liberty
