EDUCATION REIMAGINED

Before & After School Care gives your child the opportunity to get to know some of their classmates better as they engage in active play and collaborate on fun projects. In the process, they'll continue to develop the physical, educational, emotional and social skills that are essential for success.

Thanks to a generous grant from Allegheny County, this program is being provided at \$0 monthly fees.

- *Space is limited and regular attendance in the program is required.
- *Families can register for AM only, PM only or AM and PM programs.
