SUMMER BRIDGE PROGRAM

Online courses allowing Elementary and Middle School students to enter the next school year prepared, inspired, & confident.

WATERFRONT LEARNING PRESENTS NEW Summer Bridge Courses

Research shows that students who engage in educational exploration over the summer are less likely to experience academic regression in the new school year. Waterfront Learning is launching a new Summer Bridge program designed to help students overcome learning loss that may have occurred due to school closures combined with summer break. Our program offers online courses in English Language Arts and Mathematics that will allow Elementary and Middle School level students to enter their new grade level prepared, inspired, and confident.

REGISTRATION & TUITION
Single Course or ELA/Math Bundle

- $135 per single course (6 weeks)
- $175 for ELA/Math Bundle (10 weeks)
- Registration Opens: May 1, 2020
- Registration Closes June 3, 2020
- Single Course Session: June 4, 2020—July 16, 2020
- Session ELA/Math Bundle—June 4, 2020—August 10, 2020
- Registration: www.waterfrontlearning.com
- Summer Bridge Courses are non-credit courses

SUMMER BRIDGE COURSES
For students entering grades 3 through 8

Designed for students entering grades 3-8 who would like to bridge the transition to the next grade level. These online courses combine summer review with introductions to concepts that will be taught in the upcoming school year.

Available courses include:
- English Language Arts for students entering grades 3-8
- Mathematics for students entering grades 3-8
- ELA/Math Bundle for students entering grades 3-8

REGISTRATION INSTRUCTIONS

- During the registration period, parents should register online at waterfrontlearning.com.
- A valid student, parent, and school counselor telephone number and email address is required.
- Students cannot begin courses until payment is received in full.

Summer Bridge is presented in partnership with Pathblazer
