Dear South Allegheny Family,

A few points of clarification and updates since the reopening plan was released on Friday.

- Steel Center students will continue to be provided transportation to Steel Center CTC, regardless of the phase. I am awaiting those days from SC, and once I have them for South Allegheny students, we will share. I do know that in their hybrid phase, they are all virtual on Wednesday, and we are on Friday, but if our SA days to attend are Thursday and Friday, students will be transported.
- When we are transitioning from the Red to Yellow Phases (1 borough, 1 day per week), and when we are in the Yellow Phase (2 boroughs, 2 days per week), all students will continue to receive instruction through distance learning means (5 days a week), regardless of whether they are in the building or at home.
- Please find below the Food Distribution Plan for all Phases (Red, Yellow, and Green).
- If your family does not have a device, and you are in one of the grades communicated before as not receiving a device immediately, due to backorder of the products, please let your administrator know.

We thank you for your continued patience as all of these plans finalized. We will continue to communicate with you as soon as we have updated information.

Sincerely,

Dr. Lisa N. Duval
Superintendent
